

Privacy Statement

Definitions

The terms below shall mean the following in this privacy statement, unless explicitly stated otherwise:

Privacy statement:	The current privacy statement.
User:	The natural person whose personal data are being processed and whom these personal data involve.
Personal data:	Any data and information that might identify the user and/or which could be linked to him.
Party responsible:	Floritec Breeding B.V. and Floritec Trading B.V. within the scope of the General Data Protection Regulation (hereafter: AVG), processing users' personal data and determining the purpose and means used in doing as such (hereafter also referred to as: Floritec). Floritec is quartered on Van Hemessenkade 7, 2481 BG Woubrugge, the Netherlands.
AVG:	EU Regulation 2016/679 of the European Parliament and the Council dated April 27th, 2016 regarding the protection of natural persons in relation to the processing of personal data and the free movement of these data as well as the withdrawal of Directive 95/46/EC (General Data Protection Regulation).
Processing:	All acts or series of acts performed involving the personal data or a set of personal data, such as collecting, laying down, sorting, structuring, saving, updating, altering, requesting, consulting, using, transferring, distributing or making available otherwise, aligning or combining, protecting, deleting or destroying personal data.
Website:	www.floritec.eu

1. General

In this privacy statement, Floritec explains how it is dealing with the personal data of the users. Any of these data or information which users might share with Floritec, will be stored carefully and confidentially at all times.

This privacy statement applies to all processing of personal data of entities that belong to Floritec.

2. Personal data

Floritec processes the following personal data: first name and surname, sex, address, postal code, city, email address, telephone number, customer number, bank account number, payment terms, purchasing history, complaints registration and any other personal data that can be relevant when processing orders.

3. Purposes of processing personal data

Floritec is processing personal data among others for the purposes described below and for which users have provided Floritec with their personal data:

- If the user requests Floritec to provide information about products and services, Floritec shall use these personal data to meet this request and present an appropriate offer.
- If the user places an order or gives an instruction, Floritec shall use these personal data to prepare the order and/or perform the task;

- If the user places an order or gives an instruction, Floritec shall use these personal data to process the financial transactions;
- If the user signs an agreement with Floritec, Floritec shall use these personal data to draw up and execute the agreement entered into;
- If the user has signed up to the newsletter, Floritec shall use these personal data to send out the newsletter;
- If the user is complaining about Floritec's products and/or services, Floritec shall use these personal data to handle the complaint;
- If the user applies for a job at Floritec, Floritec shall use these personal data for the selection and job application process;
- If the user has provided personal data to sign up for and/or within the framework of a workshop, seminar, informative sessions, meeting, guided tour on site, fair or any other (commercial) activities, Floritec shall use these personal data to organise these activities, for instance to send out the invitations, information about the activity in question and/or provide relevant documents.

4. Legal grounds for processing personal data

Floritec is processing personal data based on the following legal grounds:

- The user has explicitly given consent to has his personal data processed.
- Personal data must be processed in order to execute an agreement between Floritec and the user. Processing is necessary in order to meet statutory requirements.
- Processing is necessary to protect users' interests.
- Processing is necessary in representing the legitimate interest.

5. Transfer to third parties

Floritec shall not lend out, rent out, sell nor transfer users' personal data to third parties or disclose these personal data in any manner.

Floritec shall not transfer users' personal data to third parties, unless:

- Personal data are transferred to an employee engaged by Floritec for the purposes stated in this privacy statement, with whom an agreement has been signed to ensure that the processor provides adequate assurances as to the technical and organisational safety measures regarding the processing steps; or
- Pursuant to the statutory requirement, Floritec is obliged to transfer personal data to the competent authorities.

6. Retention periods

Floritec shall not retain users' personal data any longer than absolutely necessary, unless Floritec is obliged to retain personal data for a longer period of time pursuant to a statutory provision.

Personal data will be removed once it is no longer necessary to retain the personal data.

7. Privacy rights

User have the right to inspect, improve, transfer, remove and protect their personal data. In addition, they have the right to be forgotten.

Users have the right to be informed about, restriction of, and to object to the processing of personal data.

If users wish to use one of their rights, they may contact Floritec by the email info@floritec.eu or by telephone: +31(0) 172 518 963.

Written requests should be sent to:

Floritec Holding B.V.
Van Hemmessenkade 7
2481 BG WOUBRUGGE

Floritec shall process and handle users' requests referred to above within one month of receipt.

Users may at all times submit complaints to the Personal Data Protection Authority about how their personal data are being used and processed.

8. Newsletter

Users may sign up to the newsletter using a written registration form, through the website or they may send an email message to info@floritec.eu.

The newsletter serves to keep users abreast of the latest developments and innovations regarding Floritec products and services.

All newsletters will be send by email.

9. Cookies

While visiting the website, Floritec shall place cookies in order to collect personal data and information about those using it.

Floritec uses only functional and analytical cookies.

Any personal data and information collected by Floritec by means of cookies shall be used only for functional and analytical purposes. In collecting statistics Floritec is using the program known as Google Analytics.

Floritecs cookies collect the following personal data and information:

- Surf and click behaviour;
- The number of visits;
- Referrer (the source from which the user is accessing the website);
- Type of browser that is being used;
- What time and for how long the user has been on the website;
- Which website pages the user has seen;
- The country from which the user is visiting the website.

Floritec is using the collected information to:

- Have a better understanding of the number and type of visitors;
- Segment visitors in order to map the differences between those generating conversion and those who do not;
- To analyse how users are using the website, to optimise and improve this website;
- To refine and optimise ad campaign strategies.

In case users object to cookies, they may change their browser settings at all times.

10. Security

Floritec has taken appropriate technical and organisational measures to protect users' personal data against loss, unlawful processing, destruction and/or damage.

11. Privacy statement update

Floritec reserves the right to update this privacy statement. Each and every update shall be announced on this page.

Floritec kindly advises users to visit this page on a regular basis to see if any changes have been made. The latest privacy statement was updated on May 24th, 2018.

12. Contact

If you might have any questions and for all other issues relating to this Privacy Statement, you may contact Floritec at info@floritec.eu or by telephone number +31(0) 172 518963.
